

## Tool Instruction Heavy Duty Induction Cleaning System Update

4328254R1

Tool Number: 12-544-01-19

0000326101

Figure 1. Adapter, Turbo Inlet – 12-544-01-19.

### Purpose

Update to Heavy Duty Induction Cleaning System Kit 12-544-01 to provide option for medium duty usage utilizing components from the heavy duty kit. The addition of the 12-544-01-19 Turbo Inlet Adapter will allow owners of the 12-544-01 Heavy Duty Induction Cleaning System Kit to also utilize their kit as a 12-544-02 Medium Duty Induction Cleaning System Kit .

### Application(s)

MaxxForce® 7 (EPA 10)

**GOVERNMENT REGULATION:** Engine fluids (oil, fuel, and coolant) may be a hazard to human health and the environment. Handle all fluids and other contaminated materials (such as filters or rags) in accordance with applicable regulations. Recycle or dispose of engine fluids, filters, and other contaminated materials according to applicable regulations.

## Application(s) (cont.)

**!** **WARNING:** To prevent personal injury and / or death, read all safety instructions in the “Safety Information” section of the *Engine Service Manual* or *Engine Diagnostic Manual*.

**!** **WARNING:** To prevent property damage, personal injury, and / or death, park vehicle on hard flat surface, turn the engine off, set the parking brake, and install wheel chocks to prevent the vehicle from moving in either direction.

**!** **WARNING:** To prevent personal injury and / or death, always wear safe eye protection when performing vehicle maintenance.

**!** **WARNING:** To prevent personal injury and / or death, install crankcase breather tube into shop exhaust vent.

**!** **WARNING:** To prevent personal injury and / or death, install turbocharger down pipe vent hose into shop exhaust vent.
