

Tool Instruction Tamper Proof Drive Bit GR-6 Arnold Drive Set

4328597R1

Tool Number: EN-50956-A

0000432107

Figure 1. EN-50956-A – Tamper Proof Drive Bit GR-6 Arnold Drive Set

Purpose

Essential tool used to install tamper proof fasteners on the Positive Crankcase Ventilation (PCV) system. The fasteners are destroyed during removal, and new tamper proof fasteners must be installed. To be Air Resources Board (ARB) compliant, this bit will install a fastener only.

Application(s)

International[®] 6.6 Engine

Additional Engine / Vehicle Applications May Apply

Application(s) (cont.)

! **WARNING:** To prevent personal injury and / or death, read all safety instructions in the “Safety Information” section of the *Engine Service Manual* or *Engine Diagnostic Manual*.

! **WARNING:** To prevent property damage, personal injury, and / or death, park vehicle on hard flat surface, turn the engine off, set the parking brake, and install wheel chocks to prevent the vehicle from moving in either direction.

! **WARNING:** To prevent personal injury and / or death, always wear safe eye protection when performing vehicle maintenance.

! **WARNING:** To prevent property damage, personal injury, and / or death, inspect tool for wear / damage prior to use. Replace any worn or damaged components as necessary.
