

## Tool Instruction Fuel System Leak Test Kit

4328881R1

---

Tool Number: 15-150-01

0000478683

**Figure 1. Fuel System Leak Test Kit**

### **Purpose**

Essential tool used to diagnose fuel system fault.

### **Application(s)**

2024 International<sup>®</sup> S13 Integrated Powertrain and 2024 International<sup>®</sup> S13 Engine. Other applications may apply.

## Application(s) (cont.)

**GOVERNMENT REGULATION:** Engine fluids (oil, fuel, and coolant) may be a hazard to human health and the environment. Handle all fluids and other contaminated materials (such as filters or rags) in accordance with applicable regulations. Recycle or dispose of engine fluids, filters, and other contaminated materials according to applicable regulations.

**WARNING:** To prevent personal injury and / or death, or damage to property, read all safety instructions in the “Safety Information” section of the *Engine Service Manual* or *Engine Diagnostic Manual*.

**WARNING:** To prevent personal injury and / or death, or damage to property, park vehicle on hard flat surface, turn the engine off, set the parking brake, and install wheel chocks to prevent the vehicle from moving in either direction.

**WARNING:** To prevent personal injury and / or death, always wear safe eye protection when performing vehicle maintenance.

**WARNING:** To prevent personal injury and / or death, or damage to property, inspect tool for wear / damage prior to use. Replace any worn or damaged components as necessary.
